LIFE CHANGING RADIO

June 2018

Hello from Life FM!

A message from our general manager...

It's been really amazing to speak with so many of you during our Stories of Hope appeal this month. I've spoken to such a wide range of supporters from all walks of life across Gippsland, and the one consistent thing I keep hearing from all of you is your desire to impact lives through our radio station. Whether that impact is through a message in a song, a local pastor's sermon, a local testimony or a 30 second word of encouragement such as Focus on the Family, the airwaves over our region are carrying a message of hope through our broadcast that is so vital for our local community.

Our station now has half hourly news bulletins, a dynamic morning breakfast show, and a sharp music mix to further enhance our ability to reach and connect with people through radio. After all your feedback, I am more committed than ever to partnering with you to fulfill your desire to connect with and restore lives in our community as part of our great commission.

Thank you for making a difference and thank you for your inspiring commitment to the vision to impact lives with our message of hope. Our future is strong and our growing impact is certain with such dedicated supporters like you on our team.

Michael Rowell, Life FM General Manager

The Life FM 'Stories of Hope' end-of-financial-year Appeal is now on, and running until 30 June.

The aim of the appeal is to raise \$100,000 to aid Life FM in continuing to spread the good news to the Gippsland community.

From the 5th to the 7th of June, an on-air Appeal was held, with Luke from the 'Luke & Susie Show' assisting in the three day event. This event was very well received and was broadcast live from our Sale studio.

Easter Event at Mountain-Top Experience, Rawson

Life FM was proud to support the 'Celebrating Easter' 2018 Event.

The 'Celebrating Easter' Committee, a group of passionate locals joined by a love for celebrating the true "reason for the season", holds a large Easter event for people of all ages, denominations and backgrounds. This year, the 'Festival of Hope' Event was held in Rawson, Vic.

The event was held to remember the importance of Christ's sacrifice upon the Cross, and to celebrate and rejoice the reason for doing so. The 3-day event included beautiful meals, worship, messages and workshops.

The committee reported the event was a huge success, and thanked Life FM for their continued annual support of the event, sending through this photo. We look forward to see the exciting things they have planned for 2019!

LIFE FM Presentation at the Traralgon Baptist Church

Life FM General Manager Michael Rowell and Life FM Board Member Aaron Young recently met with long-time station supporters Traralgon & District Baptist Church and members of the congregation to give feedback regarding the positive impact of the radio station in the region. The meeting was fun, informative and relational—and hopefully the first of many! At Life FM we LOVE to talk about how people are being impacted by the station, and getting out into the community to meet our supporters!
